Name _____

UNIT 7 – Patterns & Rules

Skip count by 2's. Begin at 0. Write your first 6 counts below.

8 0, _____, _____, _____, _____, _____, _____,

Skip count by 5's. Begin at 25. Write your first 6 counts below.

25 _____, _____, _____, _____, _____, _____, __

Skip count by 10's. Begin at 40. Write your first 6 counts below.

40, _____, _____, _____, _____, _____, _____, __

Find the missing addend. Use complements of 10 first. Then jump to the sum.

$30 + \underline{\hspace{1cm}} = 40$ $\qquad\qquad$ $26 + \underline{\hspace{1cm}} = 30$

$65 + \underline{\hspace{1cm}} = 70$ $\qquad\qquad$ $71 + \underline{\hspace{1cm}} = 80$

$83 + \underline{\hspace{1cm}} = 90$ $\qquad\qquad$ $\underline{\hspace{1cm}} + 58 = 60$

Find the sum. Remember to find complements of 10 and doubles first.

$8 + 3 + 7 = \underline{\hspace{1cm}}$ $\qquad$ $1 + 9 + 3 = \underline{\hspace{1cm}}$ $\qquad$ $4 + 6 + 3 = \underline{\hspace{1cm}}$

$25 + 7 + 5 = \underline{\hspace{1cm}}$ $\qquad$ $2 + 8 + 5 = \underline{\hspace{1cm}}$ $\qquad$ $2 + 8 + 10 = \underline{\hspace{1cm}}$

Measure each line the nearest inch and centimeter. Do not use ½.

_____

_____ inches $\qquad\qquad$ _____ centimeters

_____

_____ inches $\qquad\qquad$ _____ centimeters

✿ Fill in the boxes. Follow the rule given.
Rule:

Subtract 7

IN	OUT
14	7
	9
60	
50	
16	
	6

Fill in the frames and arrow boxes. Follow the rule given.

✱ Rule: Add 4

12   24

Find the median (middle number). Be sure the numbers are in order.

12, 12, 12, 14, 15, 15, 18

Median _____

3, 4, 7, 7, 9

Median _____

✿ 27, 45, 63, 45, 50

Median _____ (Hint: Are the numbers in order?)
